

**TOWN OF CANTON, CONNECTICUT
CANTON PUBLIC LIBRARY
LIBRARY BOARD OF TRUSTEES
SPECIAL MEETING OF JANUARY 20, 2011
MINUTES**

Due to the lack of a quorum, the Library Board of Trustees' special meeting of January 20, 2011 was not held.

The members present conducted one piece of business: Head of Children's Services Heather Baker offered an introduction to and a demonstration of the library's new "AWE Early Literacy Station," a special children's computer pre-loaded with fifty pieces of educational software appropriate for ages 2 through 10. It was purchased through our grant from the Hartford Foundation for Public Giving. This computer will be installed in the Children's Room and activated tomorrow. If funding can be raised, the library plans to purchase a second similar unit in the near future.
